# The Worst birthday ever

by Zukiswa Wanner

**H**i, my name is Thando. That's Zulu for love. My mama says it is because she loves me so much. I live with my mum, my cousin Santie, and my aunt Sallie. Santie and her mum just moved into our place two weeks ago. Auntie Sallie is my mum's younger sister. This is the first time I have met her because I overheard Gogo saying her husband did not want her to visit us. They used to live in Mpumalanga before moving to Johannesburg to stay with us. Mum says Auntie Sallie had domestic issues so they had to come and stay with us. She never told me what the domestic issues were.

Santie is the same age as me. Well, no actually, I am four months older.

'Three months and twenty days!' Santie yells out.  
'That's four months either way, silly,' I say.

'No it isn't!' she answers back.

As you can see Santie is very argumentative. I do not know why she likes to argue. It's not even her house. So as I was saying, and I need to whisper this so she doesn't interrupt, 'I am four months older than her.'

Today is Santie's 11th birthday. My mum says she is going to make it special. Auntie Sallie will be working this evening. She just started waiting on tables at a restaurant in Sandton and could not get a night off. So my mum is taking us to the movies to watch *Jock of the Bushveld*.

"That's better. Now go and change," she says. I see Santie smiling and pulling her tongue at me behind my mum's back. I wish I could pinch her. She is so annoying.

We finish dressing up, I really hate this dress, and my mum says, "Let's go girls." We follow her.

When we get in the taxi to go to the movies, the taxi driver says, "What beautiful daughters you have, Madam." So I smile although I know I am better looking than Santie. But then I get upset because he asks my mother, "Are they twins?"

And just as I am about to say no, we are just cousins, my mum says, "No, they are just sisters." She is not my sister. She is my cousin!

We get to the movies and I hope I do not see anyone I know from my school.

And then it happens.

As we are waiting for my mum to buy tickets, I see this cute boy that I like in my class. Siya is walking with his best friend Sam and also going into the movies.

He says to me, "Well hello, Thando, aren't you too old to be dressed in matching outfits?"

You see what I mean? I wish the floor could just open up and swallow me.

"What's that to you? You are just a stupid boy who does not know fashion!" Santie answers.

OMG, why did she do that?

"Yes, whatever Thando's 'twin,'" he says and both he and Sam high five each other and start laughing while pointing at us.

"Oh oh, Thando's got a boyfriend, Thando's got a boyfriend ..." she chants.

It is at that moment that my mum comes back and asks Santie, "What's that, Sweetie?"

And Santie says, "Nothing, Auntie. Thando and I were just joking."

And my mum says, "Okay," and hands each of us a box of popcorn, a soda and some Smarties.

"Thank you so much, Auntie, this is the best birthday ever," Santie says kissing my mum's cheek.

My mum smiles and says, "Oh darling, it's nothing, I promise to make next year even better."

Kill me now. This is the worst birthday ever. And it is not even my birthday. Also, Santie is going to be here next year?

When I grow up I want to be a documentary filmmaker. I am not sure exactly what they do, but a woman who came to our school said that she was one, and it sounded very cool. She said she records stories. So I am recording this story so that when Santie is grown up, she too will remember that this was the worst birthday ever!

My mum looks at me and says,

"Wena, Thando, is that a way to say thank you? I will take that dress back to the shop and you will not go to the movies with us. Why can't you be polite like Santie and just say thank you?"

So I say, "Thank you," under my breath.

Illustrations by Magriet Brink

My mum looks at me and says, "I didn't hear you."

And I say again loudly, "I said THANK YOU."

I nudge Santie and say, "What is wrong with you? Why did you have to do that?"

"He was being mean to you. I was just helping you," she answers.

"Thanks a lot! I did not ask for your help. Siya is the cutest guy in my class and now I will be the class joke," I say angrily.

"Is he your boyfriend?" she says rolling her eyes.

"Of course not," I say. I wish he was my boyfriend, but now he will never be, thanks to her big mouth.

"Oh oh, Thando's got a boyfriend, Thando's got a boyfriend ..." she chants.

It is at that moment that my mum comes back and asks Santie, "What's that, Sweetie?"

And Santie says, "Nothing, Auntie. Thando and I were just joking."

And my mum says, "Okay," and hands each of us a box of popcorn, a soda and some Smarties.

"Thank you so much, Auntie, this is the best birthday ever," Santie says kissing my mum's cheek.

My mum smiles and says, "Oh darling, it's nothing, I promise to make next year even better."

Kill me now. This is the worst birthday ever. And it is not even my birthday. Also, Santie is going to be here next year?

## Get story active!

The worst birthday ever is a story written for older children. Read the story on pages 3 and 5 of this supplement a few times before you read it aloud to others. Or, let your children read it on their own. Here are some other ideas for you to try out.

### Before reading the story

- ★ Talk together about birthdays – why they are important, how we like to celebrate them. Encourage your children to talk about how it feels when people remember it is your birthday. Perhaps you also have a funny story about a birthday celebration you attended or there is one particular birthday experience you will always remember. Share these stories with your children. Use these discussions to introduce the story.

### While reading the story

- ★ If you are reading aloud, help develop your children's prediction skills by asking, "What do you think will happen next?" when Thando and Santie arrive at the movies.

### After reading the story

- ★ Help your children make connections between Thando and her experience in the story, and their own lives. Talk about experiences they might have had that the story has reminded them of.
- ★ Encourage them to interpret the story by asking them to draw or paint a picture of their favourite part.
- ★ Suggest that your children write their own real or imagined stories about an event in the past involving their friends or other family members.
- ★ Let your children volunteer to act out the story. Or, ask them to pretend that it is years later and they are helping Thando to make a TV programme about her life. Together write down the questions an interviewer might ask Thando, her mother and Santie about what happened in the story. For example: "Santie, how did you feel about living with your aunt and Thando?" Let your children act as different characters from the story. Interview these "characters" using the questions you wrote together.

# Usukulokuzalwa Olubi Kumazo Zonk

Ibhaliwe nguZukiswa Wanner

**S**anibona, igama lami ngingi Thando. Umama wami uthi Yingoba wayengithanda kakhulu. Ngihlala nomama, umzala wami uSantie, nomamncane uSallie. uSantie nomama wakhe basanda kufika ukuzohlala nathi emasontweni amabilis adlule. Umannancane uSallie ungdadewabo omncane kamama. Ngiaqala ukuhlangana naye ngoba ngezwa ugogo ethi umyeni wakhe akafuni ukuba asivakashela. Babehlala eMpumalanga naphambhi kokuba bathuthe bazohlala nathi eGoli. Umama uthi uMannancane uSallie wayenezingkinga ekhaya ngakho kwadingeke ukuthi bazohlala nathi. Akazange angitshela ukuthi zaziyini lezo zinkkinga zaseklaya.

Siyalingana ngeminyaka noSantie. Empeleni, hhayi kahle, ngimdalda kuye ngezinyanya ezine.

“Izinyanya ezintathu nezinsuku ezingamashumi amabili!” kumemeza uSantie.

“Hhayi suka, kuyafana nje nezinyanya ezine,” kusho mina.

“Cha akufani!” kuphendula yena.

Njengoba ubona-ke uSantie uyathanda ukuphikisa abanye. Angazi ukuthi kungani ethanda kangaka ukuphikisa. Akusikho nakubo la. Njengoba pengisasho-ke, futhi kumele ngikuhlebeze lokhu ukuze angangiphazamisi, “Ngimdalda kuye ngezinyanya ezine.”

Njalo uma ngifuna ukudlala umdlalo uSantie ufuna ukudlala enye into, kumele senze into efunwa uyena. Umama uthi kumele ngidiale lokho okufunwa uSantie ngoba usuku lkwakhe lokuzalwa. Ngizamile ukucela ukuthi sidlale enye into, kodwa uSantie uvele amemezele ukuthi umama amuzwe, “Kodwa usuku lkwami lokuzalwa!” Ngiyethembu ukuthi ngosoku lkwake lokuzalwa oluzayo uzobe engasekho la.

Ngemuya koluba sesiqede ukugeza futhi sekuzoshaya isikhathi sokuba siye kumanuyi, umama uthi unesipho sami noSantie. Usithengele izingubo nezicathulo esizozigqoka kumanuyi. Uthi yikhona sizobukeka njengamaleti. Kwaze kwanzima bakwethu!

Kodwa, kungani engazange asthengele amajini noma okunye? Ingubo kaSantie ifana neyami, kodwa yona ibomvu, bese eyami iba phuzi. Futhi sifake izicathulo ezifanayo, ukuthi nje ezakhe zibomvu bese ezami ziba phuzi. Ngiyazzonda izingubo ezingamalokwe. USantie yena uyazithanda lezi zingubo.

“Mama! Sineminyaka eyishumi nanye, hhayi eyisikhombisa!” Ngisho kumama ngoba nginamahloni ngalezi zingubo ezifanayo.

Umama uyangibuka bese ethi, “Wena, Thando, ngabe iyona ndlela obonga ngayo leyo? Ngizoyibuyisela estiolo ingubo ungabe usahanha ratthi ukuya emanuvini. Kungani ungakthombisi nhlonipho njengoSantie, uthi uyabonga?”

### Sparkling a love of reading!

Here, in their own words, is what some of the inspirational reading clubs and programmes in the Nal'ibali network have to say about the Nal'ibali supplements and how they use them to encourage reading-for-enjoyment in their settings.

"The excellent Nal'ibali supplements have been invaluable reading materials, which helped with our limited resources. The activities as well as the tips and advice for teachers, parents and children are so enriching. I love the inter-generational layout, since it creates more parental involvement, which is sorely lacking in our communities. Every week the children look forward to the cut-out stories, which they read quickly. In 2012, they shared these stories with other classes, so a love for reading could be spread. We simply love the special pictures of the Nal'ibali characters too! This is a brilliant initiative. We share your vision that literacy and liberation go together!"

Brenda Rhode, Young Authors' Club, Lansdowne, Cape Town

"Izithasiselo ezinhle kakhulu zakwaNal'ibali sezibe yizinto zokufunda ezingefaniswe nalutho eseisisizile ngoba amandla ethu mafushane. Imisebenzi kanye namacebo nezeluleko ezibhekiswe kothisha, abazali nezingane ziayakha kakhulu. Ngiyayithanda nendlela amakhasi ahlelwe ngayo ebhekela izizukulwane ezahlukene, njengoba yenza ukuzibandakanya kakhulu kwabazali, okuyinto esiyiswela kakhulu emiphakathini yethu. Izingane zilangazelela izindaba ezisikwa zikhishwe isonto ngalinye, ezifunda ngokushesha, kanti ngo-2012, zabelana ngalezi zindaba namanye amaklasi, ukuze kusabalale uthando lokufunda. Sizithanda kakhulu nezithombe ezikhethekile zabalingiswa bakwaNal'ibali! Lo umkhankaso omuhle kakhulu. Sivumelana nani kulo mbono wenu wokuthi ukwazi ukufunda nokubhala kuyahambisana nokuhululeka."

UBrenda Rhode, Young Authors Club, eLansdowne, eKapa

"Though unbelievable, some of our learners do not own reading books and the supplements allow them to own a book. We also stock some of the stories in our library and so a whole class can read the same story aloud for shared reading."

Felicia Watson, Kannemeyer Reading Club, Lotus River, Cape Town

"Noma kungakholakali, ezinye zezingane zethu azinazo izincwadi zokufunda ezingezazo kanti izithasiselo zizinika ithuba lokuthi zibe nezincwadi ezingezazo. Sigcina futhi nezinye zezindaba kumtapo wezincwadi wethu, kanti iklasi lonke lingafunda kakhulu indaba eyodwa ekufundeni ngokwabelana."

UFelicia Watson, Kannemeyer Reading Club, eLotus River, eKapa

"We have delivered about 6 000 Nal'ibali papers to several rural and special schools in the eastern half of the Eastern Cape. We have seen how the kids make up the books. It's working!"

John Jansen, Rotary Club, Gonubie

"Sesihambise amaphepha akwaNal'ibali ayizi-6 000 ezikoleni eziningana zasemakhaya nezezingane ezinezidindo ezikhethekile kuhhafu osempumalanga weMpumalanga Kapa. Sesibonile ukuthi izingane ziwenza kanjani amabhukwana. Kuyasebenza lokhu!"

"Each Wednesday one of the classes in the school folds and cuts the mini-books in the supplement. The booklets are then used in our "Book Buddy" programme where children from an older class pair up with those from a younger class. In these pairs, the older child reads to the younger child, or listens to the younger child's reading. The children can also take the mini-books home to keep and to show to their parents. We are very grateful for the contribution these booklets have made to the increased joy and interest in reading in the children."

Belinda Fellion, Zenzeleni Waldorf School, Khayelitsha

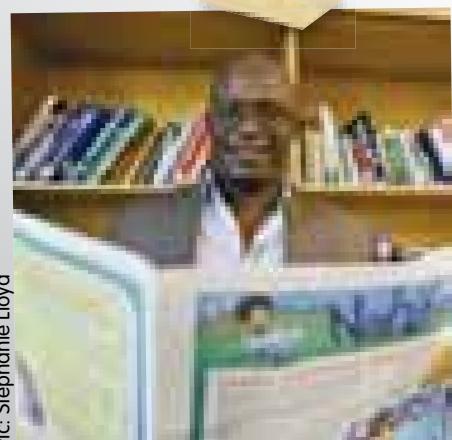

"Njalo ngoLwesithathu elinye lamaklasi ligoqa lisike amabhukwana asesithasiselweni. Monwabisi Sisilana, Ikhwili Elementary School, Cwili

"Each week our school receives Nal'ibali supplements. One of the most useful aspects of the supplement is that it's bilingual. The children love the fact that our international volunteers can read in English and they can read in Xhosa. Most inspiring has been the increased interaction between the children themselves, as they develop their love of stories together. Older children often read aloud to the younger children and share their reading skills with those who have reading difficulties. It is beautiful to see the children's enthusiasm when reading together, laughing at a funny story, and then developing their own stories."

*Monwabisi Sisilana, Ikhwili Elementary School, Cwili*

"Isikole sethu sithola izithasiselo zakwaNal'ibali masonto onke. Enye yezinto eyenza ukuthi izithasiselo zibe usizo ukuba ngezilimi ezimbili kwazo. Izingane zikuthanda kakhulu ukuthi amavolontiya avela kwamanye amazwe omhlaba akwazi ukufunda ngesiNgisi, zona-ke zifunde ngesiXhosa. Into ehlaba kakhulu umxhwele sekube ukuthuthuka kokuxhumana kwezingane uqobo lwazo, ngesikhathi zithuthukisa uthando lwazo lwezindaba zindawonye. Izingane ezindadlana zivame ukufundela kakhulu izingane ezincane bese zabelana ngamakhono azo okufunda nalezo ezinezinkinga ekufundeni. Kumnandi ukubona umdlandla izingane ezinawo uma zifunda ndawonye, zihlekiswa yindaba ehlakisayo bese zizakhela indaba yazo."

Lynette Jackson, Link @ Yeoville Literacy Programme, Yeoville

"The children at Yeoville don't have a library, so they line up with great excitement to get their supplements each week to take back home with them! The children participating in the programme are in Grade 3, but most cannot read yet. The volunteers read with the children, and then talk to the children about the stories and the characters. The children then take the supplements home, where we encourage them to read to their brothers and sisters, or get their grannies to read to them to grow their literacy skills. The supplements really are their most prized possessions!"

*Lynette Jackson, Link @ Yeoville Literacy Programme, Yeoville*

"Izingane eziseYeoville azinawo umtapo wezincwadi, ngakho, kulelo nalelelo sonto, zima emggeni ngesasasa elikhulu ukuze zithole isithasiselo sazo ezizoya naso ekhaya! Izingane ezibambe iqhaza kulolu hlelo ziseBangeni lesi-3 kodwa eziningi azikakwazi ukufunda. Amavolontiya afunda nezingane, bese exoxa nezingane ngezindaba nabalingiswa. Izingane zibe seziya emakhaya nezithasiselo, lapho sizigqugquzel ka khona ukuthi zifundele abafowabo nodadewabo, nomzicelle ogogo bazo ukuthi bazifundele ukuze zithuthukise amakhono azo okwazi ukufunda nokubhala. Izithasiselo ziypahla yazo eyigugu kakhulu!"

Kuyintokozo reading club at Luhongolo in Mzimkulu

"The Family Literacy Project has 20 Nal'ibali reading clubs in deep rural villages in the southern Drakensberg in KZN. We receive supplements every week and we use them with a song or game in the weekly session. The children in the clubs also cut out the books from the supplement. They seldom have a chance to use scissors and staplers, so they enjoy cutting out and producing their own books. They then read these books together and afterwards, take them home to read with their families."

*Lynn Stefano, Family Literacy Project, Underberg*

"I-Family Literacy Project inamathimba okufunda akwaNal'ibali angama-20 emizini esemaphandleni akude namadolobha eningizimu noKhahlamba eKZN. Sithola izithasiselo masonto onke futhi sizisebenzisa neculo nomzicelle nomdlalo emihlanganweni yamasonto onke. Izingane ezisemathimbeni zibuye zisike namabhuku asezithaselweni. Azivamisile ukusebenzisa izikele namastephula, ngakho ziyakuthokoza ukusika zikhipe amaphepha, nokukhiqiza amabhukwana azo. Zifunda la mabhukwana ndawonye bese kamuva, ziya nawo emakhaya ukuze zifunde neminden iyo."

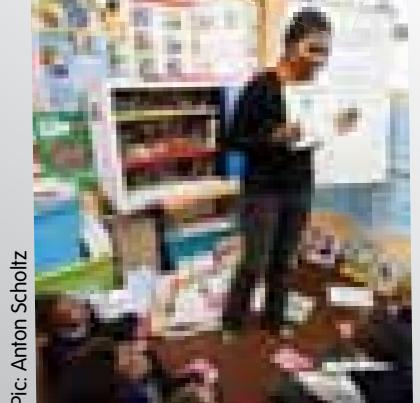

*Ulynn Stefano, Family Literacy Project, e-Underberg*

"What I like most about the supplements is the stories – we read them to the children and sometimes the children cut out the pictures and then write their own stories! We use the supplements with 5 to 12-year-olds in the classroom, but also in the Injongo Primary School Reading Club. The children who read the stories in the class or club, will often go and retell the stories to their friends who are not in their class or club. In this way they are passing the stories along!"

*Luluma Tyhulu, Injongo Primary School Reading Club, Khayelitsha*

"Engikuthanda kakhulu ngokuphathele nezithasiselo yizindaba – sizifundela izingane, futhi ngesinye isikhathi izingane zisika zikhipe izithombe bese zibhala izindaba zazo! Sisebenzisa izithasiselo nezingane ezineminyaka emihlanu ukuya kweyi-12 eklasini naku-Injongo Primary School Reading Club. Izingane ezifunda izindaba eklasini nomzicelle, zivame ukuhamba ziyoqoxela kabusha abangani bazo abangekho eklasini nomzicelle, ngakho ziqhubezela izindaba phambili!"

## Story corner

Here is the first part of a story for you to read aloud or tell. It is about a man with a very long beard who had no friends.

### The lonely tailor (Part 1)

by Derek Wiid

Dell the tailor lived in a little town near the sea. Dell loved making beautiful clothes for the people in town. He was very busy snipping and sewing every day. He was so busy that he didn't have time to make friends. In fact, he didn't even have time to trim his own beard.

One morning, *Ding-Dong, Ding-Dong*, the town hall bell rang and Dell woke up. He stretched and yawned loudly.

"Today is market day," he said. "No snipping and sewing for me! No making new clothes. No making old clothes into not so new clothes. Today I shall buy freshly baked bread, delicious jam, and fresh, fresh fruit and vegetables." Then he sighed sadly. *I wonder, he thought, if anyone in town will talk to me today.*

Dell got out of bed to wash himself and brush his teeth ... as he did every morning. He made a cup of coffee and some breakfast ... as he did every morning. He put on his vest and a pair of trousers ... as he did every morning. But ... he did not put on a shirt or a jacket. He never dressed in normal clothes like everyone else.

You see, Dell the tailor had a very, very long beard. Because he never had the time to trim it, his beard had been growing for forty-five years. It was so long that when he went out, he wrapped his beard around his body; one, two, three times. That's why he only needed his vest and trousers. His beard kept him warm in winter and cool in summer.

That winter morning when Dell went shopping, everyone stared at him. They always did. Then they turned around and hurried away without saying a word.

"Silly people," he said to himself. "It's only a beard." He forgot that it was the longest beard in the world. He forgot that people were not used to seeing someone wrapped in a beard.

Dell hurried to finish his shopping. As usual no one spoke to him and he felt very lonely.

Find out next week if Dell will ever have any friends.

## Ikhona lezindaba

Nansi ingxene yokuqala yendaba ozoyifunda kakhulu noma ozoyixoxa. Iphathelene nendoda eyayinentshebe ende kakhulu eyayingenabangani.

### Umthungi oyinkom'edla yodwa (Ingxene yoku-1) ebalwe uDerek Wiid

UDell, umthungi, wayehlala edolobhaneni elincane eliseduze nolwandle. UDell wayethanda ukwenzela abantu basedolobhaneni izingubo ezinhle. Wayehlala ematasatasa esika futhi ethunga nsuku zonke. Wayematasatasa kangangokuthi wayengenaso isikhathi sokuthola abangani. Empeleni wayengenaso nesikhathi sokuphungula ngisho nentshebe yakhe.

Ngolunye usuku ekuseni, insimbi yehholo ledolobhana yakhala kwaze kwavuka noDell. Wazelula wazamula kakhulu.

"Namhlanje usuku lwemakethe," kusho yena. "Angeke ngisike futhi ngithunge! Angeke ngenze zingubo ezintsha. Angeke ngenze zingubo ezindala zibukeke sengathi zintsha. Namhlanje ngizothenga isinkwa esisha esibhakiwe, ujamu omnandi kanye nezithelo nemifino okusha kakhulu." Wabubula ngendumalo. "Kazi," kucabanga yena, "ukhona yini umuntu edolobhaneni ozokhuluma nami namhlanje."

UDell waphuma embhedeni wageza, waxubha amazinyo akhe ... ngendlela ayejwayele ukwenza ngayo njalo ekuseni. Wenza inkomishi yekhofi nesidlo sasekuseni ... ngendlela ayejwayele ukwenza ngayo njalo ekuseni. Wagqoka ivesiti nebhulukwe ... ngendlela ayejwayele ukwenza ngayo njalo ekuseni. Kodwa ... wayengaggoki ihmbe noma ibhantshi. Wayengazigqoki nanini izingubo eziwayelekile njengawo wonke umuntu.

Uyabona, uDell umthungi wayenentshebe ende, ende kakhulu. Ngoba wayengenaso isikhathi sokuyiphungula, intshebe yakhe yase ikhule iminyaka engamashumi amane nanhlanu. Yayinde kangangoba uma kukhona lapho eya khona, wayesongela intshebe yakhe emzimbeni wakhe izikhathi; esisodwa, ezimbili, ezintathu. Yingakho wayedinga ivesiti nebhulukwe lakhe kuphela. Intshebe yakhe yayimgcina efudumele ebusika futhi epholile ehlobo.

Ngalolo suku lwasekuseni ebusika uDell wayothenga, wonke umuntu wayemqolozela. Babehlale benza kanjalo. Besi beyaphenduka bahambe basheshe bengazange bathi vu.

"Laba bantu bayizithutha," ezitshela. "Intshebe nje kuphelai" Wakhohlwa ukuthi kwakuyintshebe ende kunazo zonke emhlaben. Wakhohlwa ukuthi abantu babengajwayele ukubona umuntu ezsiongele ngentshebe.

UDell washesha ukuze aqedele izinto ayezozithenga. Njengenjwayelo akehko umuntu owamkhulumisa, wazizwa enesizungu.

**Thola ngesonto elizayo ukuthi ngabe uDell uzoke abe nabangani.**
